(Distance Learning Program)

Prospectus

ABOUT ACE

The parent company is ACADEMY FOR COUNSELING & EDUCATION PVT. LTD. is founded on a proven counseling methodology spanning over 17 years by veteran & renowned clinical psychologist, rehabilitation counselor & therapist Ms. Salma Prabhu. With over 75000 students, parents, teachers & families from all over India, successfully counseled, ACE as developed a niche in areas of Career Counseling, Learning Difficulty solutions, personal issue counseling as well as HR interventions in corporate.

The ACE Ideology

The Journey which began 15 years ago uncovered a lot of stress and strain experienced by different age group of people in their social lives. Important decisions pertaining to Career, social status, personal confrontations were not being addressed with expertise thus leading to a lot of chaos & dissatisfaction. The effect led to a lot of multiple behavioral issues amongst people. The ideology of ACE is to make a positive difference in the lives of people by providing timely guidance to eliminate conflict thus increasing happiness quotient and creating a win-win situation for all.

The services of this company are categorized under five different brands. These are as under:

1. **YOUNG ACE:** Under this we conduct career guidance & counseling for students either on an individual basis or in a group format basis. Our USP is shortest turn-around time (In group format we can turn around the test to report-recommendations within 10-15 days for a group of around 750 students), Clarity and standardization of reports due to refinement over last 15 years. To-date we have profiled more than 42000 students. We can administer the tests in English, Marathi, Hindi & Gujarati. We have a team of trained career counselors and can reach even the remotest corner of the country, if the need arises. Currently, our team is

conducting these sessions in Vasai, Sangli, Satara, Kolhapur, Belgaum, Amravati & Aurangabad simultaneously.

2. **ACE THERAPIST:** Under this we offer end to end solutions for children suffering from Learning Difficulties (Dyslexia, Dyspraxia, Dysgraphia, Dyscalculia, ADHD, slow learners, etc).

The services include identification, Remedial Treatment, Counseling to student & Parent and also training to teachers & parents. Here, we also outpace our counselors in schools for addressing behavioral issues in students as well as parent counseling

3. **ACE PERSONAL:** Under this, we undertake individual one on one counseling for behavioral, parent-child, husband-wife relationships, etc. We also undertake clinical diagnostic testing as recommended either by doctors or psychiatrists.

4. **ACE TRAINING:** Under this, we run our own certification programs in:
 - a. Remedial Education
 - b. Counseling & Guidance
 - c. Career Counseling
 - d. Pearson clinical assessments (We are the sole authorized training centre in Mumbai & Pune for Pearson Clinical Assessments)
 - e. Rational Emotive Behavior Therapy training
 - f. Psychometric test administration & interpretation training

5. **ACE HR:** under this we have specific services for corporate through HR interventions in following areas:

- a. Recruitment assistance in personality mapping w.r.t job environment
- b. Employee assessments based on MBTI/16PF/Firo-B, BEI, etc.
- c. Competency Mapping
- d. KPI/KRA/PMS
- e. Managerial Skill Development Programs
- f. MBTI based Conflict management / Team Development programs
- g. Succession Planning, etc.

We also have outreach programs in which we place our counselors in schools on a monthly retainer basis.
